REF: FOI 11/237

I am writing with reference to your recent FOI request. Please find enclosed details of inspections against the list that you supplied. We do not have the information to answer your second question.

We are unable to provide you with information regarding whether each site listed has been approved for manufacture. The information is exempt under Section 21 of the FOI Act, because the information is accessible to you, as it is already in the public domain. If you wish to know which sites are approved may I direct you to the following website: <http://eudragmp.eudra.org>

EudraGMP is a public access website which lists GMP certificates showing whether a site is compliant. You are able to search the website for all GMP certificates currently granted in China.

If you have a query about this letter, please do not hesitate to contact me.

If you are unhappy with our decision, you may ask for it to be reviewed. That review will be undertaken by a senior member of the Agency who has not previously been involved in your request. If you wish to pursue that option please write to the Communications Directorate, Medicines and Healthcare products Regulatory Agency, 151 Buckingham Palace Road, London, SW1W 9SZ quoting the above reference.

After that, if you remain dissatisfied, you may write to the Information Commissioner at:

The Information Commissioner's Office
Wycliffe House
Water Lane

They will make a decision on whether or not we have interpreted the FOIA correctly in handling your request.

Yours sincerely,
